THE RIVER

I'm not the kind of person who would typically write something like this. I'm normally a sweet and proper girl who loves to get lost in nature, but there are just some experiences that must be told.

I was camping with some friends, up in the mountains among the tall pines and fresh air. The world felt so clear and free. It was a place I knew well. We'd camped there since I was a kid. And the mountain still had its secrets to share.

As I climbed one of my favorite trails, I was drawn away toward the sound of a stream. I veered off and followed the sound to a shallow pool of cool, crystal-clear water fed by a waterfall tumbling over a rocky cliff face.

I removed my shoes and waded into the pool, feeling a tingling, almost healing sensation rush through me. I reached to run the water through my long, thin fingers, and when I looked up again, there he was.

Standing under the waterfall, completely naked, a muscled, hairy man. He didn't react to me at first and I couldn't help staring, and probably did for too long. Because that's when he turned and smiled at me, offered a hand, and invited me to join him.

I looked around before wading further into the pool towards the strange man. He stepped out from the waterfall, and I took his hand. He helped me up the last step, and I finally got my first real look at him, a look that made me gasp. The man led me back to the waterfall, and I almost hypnotically took off my clothes to step under the natural shower.

Our gazes lingered on each other, he was captivating, and he was just as interested. We were about

I'm a DDD fan--

I'm a huge fan of Sara Jay, and her marvelous DDD boobies. Of course, I'm only guessing at their size. I'd have to get my hands around them to be sure! I've followed Sara Jay from her early days and today she seems as enthused for sex as she did from as early as I can remember. She always had great boobs and I really like the way she brings them into her sexual play. My favorite scenes of her today are when she has lesbian sex with the younger starlets. Seems like she likes being their teacher and they really get off on fucking her. Now that's some really good stuff.

— Jordan H., Miami

the same height. My thick brown hair grew heavy down my back as the water rained down over my muscled frame. We moved toward each other and quickly wrapped in one another's embrace.

He was warmth in the cool shower. Our arms and bodies entangled around one another, trying to pull one another closer. His fingers trailed down my back, over my firm ass, and up my soft breasts. With a smile, he leaned me back against one of the larger rocks and knelt down to let his tongue explore my eager pussy. He didn't say anything, and somehow, didn't need to.

I spread my arms over my head and stretched out, waves of pleasure crashing over me from all angles. His hands kept exploring my chest, especially my perked nipples. He let his mouth finally follow, slowly kissing his way up from my crotch over my firm stomach and toward the mountaintops, where he let his tongue flick and swirl around my pink mounds. I moaned loudly, screaming into the forest as the man seemed to find every one of my spots.

He kept going, mouth moving up my chest and

towards my mouth. And as we locked lips, I felt the head of his cock throbbing at the entrance to my lubed hole. I let my tongue slide into his mouth and felt him slide slowly in. He took his time, letting me feel each throb, letting me want it. I tried to slide myself further down, but he kept me in place, deciding how much of him I got and when.

I let go and let him have his way, spreading my legs wide and throbbing around his heavy meat. I didn't just want him, I needed him. Needed him inside of me. I threw my head back, letting the water splash over my face and down my body as he played, slowly picking up his pace. He knew how much I was enjoying this. He reached up and pinned my hands above me as he quickened. I was seeing stars all around me, each pound feeling like he was finding a place deeper inside me, touching something that hadn't ever been reached before.

The look on his face gave him away, twisting and contorting with pleasure as he pulled himself out and shot his massive cock all over my chest. As he finished, one hand slowly rubbed his cum off in the waters while the other moved back to my clit, letting his fingertips back inside. It felt like he was touching everywhere at once and it didn't take him long to have me screaming into the waterfall.

He carried me to a nearby rock just out of the pool and, even though I remember laying down with him, when I woke up that afternoon, the strange man was nowhere to be found.

– LeeAnn G., Boise

THE MILF

I've never been exactly what you'd call a "kid person." I can get along with them alright, but they're not really my thing most of the time. But when the MILF down the street asked me to watch her kids for the night, well, I really couldn't say no.

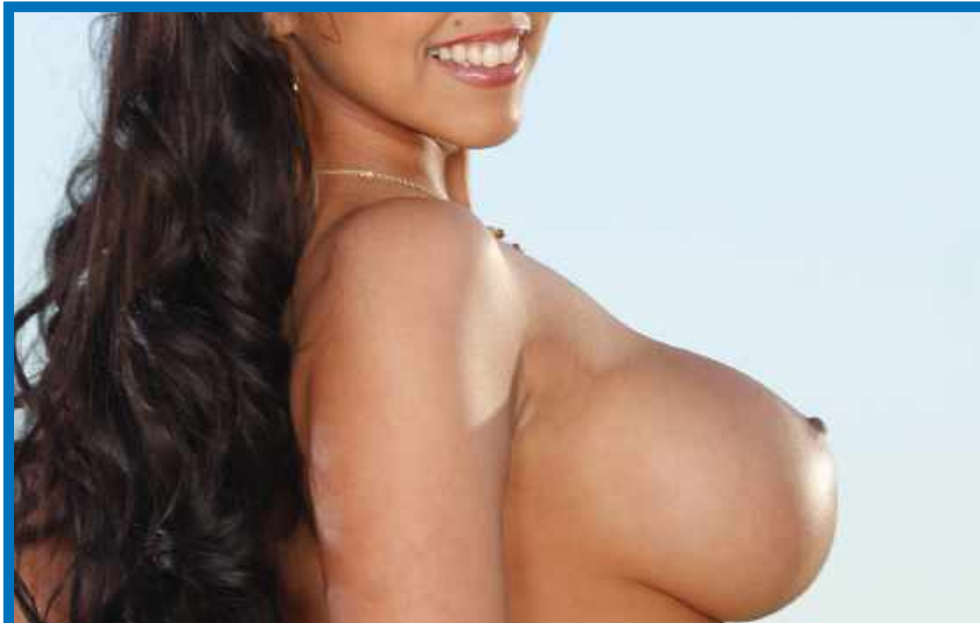

The night itself was pretty uneventful. The kids had their dinner, played their games while I sat back working on a paper due the next day, and I was well on the way to making the few bucks necessary to fill my gas tank so I could turn the paper in. It wasn't like I had any prospects of anything actually happening; she was married, and they were out on a date night.

Except she came home alone, and in tears.

It was past midnight, the kids were already in

bed, and I was starting to drift to sleep when the door from the garage swung open noisily. I pulled myself up, trying to look like I was awake the whole time and looked back. Even crying she was beautiful. Tall, caramel toned and with eyes that seared into the soul. Her blonde hair bounced off shoulders that stood proud and supported an ample chest that looked at every moment like it just wanted to spring from its enclosure. I shook my head clear and stayed on the couch, trying to let the back hide my obvious boner.

I asked her what was wrong, but she just waved me off, distractedly going through her purse as she asked me how the night went. There really wasn't much to report, so I adjusted my dick so that my jeans could hide it a little better and stood up. It was getting

really late, and her distracted tears were making the whole situation awkward.

Finally, as I stood around waiting for my payment, she looked up from her purse and declared that she didn't have any cash. My first reaction was to just tell her to owe me. I could find another way to fill up the gas tank. But just as I was about to tell that, she pulled me close and stuck her tongue down my throat.

It didn't take me long to shut down every voice in my head; the one telling me to go home, the one reminding me she was married, the one pointing out that her kids were asleep in their rooms. When a MILF makes a move, you don't question it.

I reached around and held her close, joining her kiss and letting her explore my college-aged mouth. Long, lithe fingers started playing with my shoulders, tugging at my shirt, getting under the neckline. She didn't pull away until she felt my throbbing meat

She grabbed my hair and pulled me back away from her boobs and probably saw a man just overwhelmed with pleasure. She was in full control of every part of my body and knew it. Her face leaned in and kissed me roughly as she slithered her body over mine.

and buried my face in her enormous pillows. I swear, if she had smothered me with them right there, I would've died a happy man.

Before I knew it, she was on my lap and had managed to release my dick from my jeans without me realizing it. I felt a couple of strokes before I felt her enveloping it with her warm, moist pussy. She slid down on me slowly, still holding my face tightly to her chest. It felt like something close to forever before I finally felt her grinding down on my balls, my dick twitching and teasing with each move.

She grabbed my hair and pulled me back away from her boobs and probably saw a man just overwhelmed with pleasure. She was in full control of every part of my body and knew it. Her face leaned in and kissed me roughly as she slithered her body over mine. She was experienced in ways I couldn't have imagined, finding every spot, and playing with me like a toy. I must have hit the edge at least three or four times before she finally pulled back just far enough for me to flip her over on the couch and told me to take my payment.

I was moving automatically, her legs suddenly up in the air and wrapped around my shoulders. She made sure that I couldn't get out, squeezing my dick deeper inside her even as I started pounding as furiously as I could. Normally, I would've finished in a minute or two, but all the edging kept me going far longer. She begged and taunted me for my juice, forced me harder, faster, and yet it still felt like she was toying with me instead of the other way around. After what must have been my longest time lasting ever, I finally spilled so much deep in her wet and hungry pussy that she was leaking back up my dick and over my balls.

I somehow made it home and to class the next day, but everything was a blur. She asked if I could babysit again that weekend.

— Christopher R., Boston

THE RIGHT WAY

Michelle had her new boyfriend over to the house the other night. They've been together for about a month but she insists they're not dating. Okay, I'll buy that but when she tells me that he's really interested in her, what am I to think. Michelle tells me he hasn't been getting A's in the bedroom lately, especially when he went down south on her. Now, every

pressed up against her. Even through our jeans, it was aching to get out. She looked at me with those smoldering eyes and asked if we could make some sort of arrangement.

Wide-eyed, I started ripping my shirt off, making her smile to look at my formed body. She let her nails trace over the lines of my body, hungrily devouring me as my heart started thumping loudly in my chest. She unbuttoned my jeans, but then pushed me back onto the couch, telling me I could touch my chest, but couldn't go under my band. Then, she stepped back and slowly started pulling off her blouse.

I was right about her chest. Each button seemed to strain against the pressure attempting to release them, and as her black lace bra was revealed, her boobs looked like they were getting bigger. She reminded me to keep rubbing my chest, and especially playing with my nipples as she finally released her own. When I finally saw her apples drop right in front of me, they were twice the size I thought they'd be when she forced them into such tight clothes. My dick did a jump in my pants without any help, and I felt myself drawn up off the couch, face going right for her cleavage. She grabbed the back of my head

girl needs a good licking and if a guy's going to do it, do it right, dammit.

How do I know? I'm her roommate, and in this case, her confidant. She and I talked about it for a while last night and came up with a simple plan. Next time he's over, Michelle will take him into her bedroom and I would already be there. She would make him sit on the corner of the bed and watch me eat her out. There she explained to him the trouble in bed, and offered to show him how it should be done.

She and I took off our bottoms, and flipped a coin to see who would eat and who would be eaten. Michelle won and laid back on her elbows and spread her legs. I got between them and licked her pussy the right way. She was loving it, but right in the middle, the boyfriend asked if we would switch positions so he could see better.

I stopped in the middle, looked over at him, rolled my eyes and said okay. Michelle got up and I laid back and spread my legs. She moves in and starts licking. I had only been licked once before, about two months ago and admittedly, I liked it. I gave out a couple little moans, closed my eyes, and lost myself in her tongue for a minute.

Suddenly, Michelle yelps and smashes her chin on my pussy. I open my eyes and see her man had gotten behind her and jammed his cock in her wet pussy. She grabbed hold of my hips as he pounded into her. I looked at him wanting to say he overstepped his welcome, but when Michelle's mouth went back to licking and sucking me, I let it go.

This went on for a while and, just as suddenly, we all came at the same time. He pulled out, she raised

up and I just lay there. Michelle sits next to me on the bed and says that was worth an A+. We all laughed and played around a little, but she wouldn't let him fuck me. That was okay. We had fun.

PAR 69

I'm the country club caterer at a large well known golf course in Atlanta. I'm waiting for my crew to arrive so we can set up for the wedding reception of the head groundskeeper. I'm sitting at an empty table on the large veranda with a view of the parking lot so I can see when the food truck arrives. A few feet below me and off to the right side is a putting green with Noelle taking lessons from our golf pro, Jason.

Noelle comes every Sunday about noon, has a few drinks at the 19th hole and takes putting 'lessons' from Jason. Trust me, her putting hasn't improved much but she sure knows how to score. They usually practice for about an hour, but I noticed that they cut it short this time. I thought it a bit odd and decided to follow them. They settled into a secluded spot at the back the last green and I walked to the end of the veranda and had a good view of their spot.

She saw me watching from above and gave me a big wink as she dropped to her knees and went down on Jason. She had no problem swallowing his huge cock. After she takes a break, he pulls down her skirt and starts licking her. Her pussy gleams from the wetness. After a few minutes all their clothes are off and they

go at it. He sucks on her boobs, she sucks on his cock, and I watch with my hand in my pants.

They are now down on the ground sucking and fucking. I sneak in a little closer to get a better view of the action. They're 69ing and she's on top sucking his dick and Jason is on his back licking her pussy. They change positions and are now fucking with the intensity of the final hole at the Masters.

Dear Diary: Wearing that push up bra to the party last week was the best idea I ever had. Since then I've been on two dates with that boy I like, and tonight I'm finally gonna let him stuff my sopping wet pussy. I called him to come over because I just can't stop thinking about how badly I want him. Gotta go. I think he just knocked!

I'M HAVING A GREAT TIME. ARE YOU? 888-673-8777 MUST BE 18 TO CALL

His hot new assistant helped alleviate stress.
Sure, but she did make it difficult to focus.

Hook Up

“That’s it, baby. Stroke it for me. Get it nice and hard for my tight pussy.”

Hal Cole, accomplished comic book artist, complied with Katy’s wishes, sliding a hand up and down his turgid rod with increasing speed. Katy, his new assistant, sat on the sofa across the room. Her clothes were on the floor. Rubbing her glistening gash with deft fingers, she licked her lips hungrily while eagerly awaiting her boss’s cock.

Hal had been toiling at his drawing board, burning the proverbial midnight oil to meet a deadline, when his young charge had come up behind him and started massaging his tense shoulders. “You’ve been working too hard,” Katy had breathed in his ear. “Let’s take a little break and have some fun.” It had become a regular thing, these late night quickies when they had the whole office to themselves, and Hal had come to rely on them for much-needed stress relief.

It wasn’t easy working for Erotixxx Inc. A leading purveyor of adult entertainment, the company produced myriad products to help the consumer get off—DVDs, toys, magazines, prose novels, even dirty comic books. As their main illustrator, Hal was under immense pressure to consistently churn out quality material for their various titles, the most popular of these being *Hook Up*, a pulpy series chronicling the exploits of a hook-handed mercenary/cocksmen named Harry Pohl. Hal had been drawing the forthcoming issue when Katy had made her advancement.

Now, his pencils all but forgotten, Hal stood before Katy, wagging his engorged prick in her face. Massaging her pussy with one hand, she took his tool in the other, gliding her hand up and down its length. She pumped him several times before inhaling his cock. Her head lunged

forward, all the way, until her lips pressed against his wiry pubic thatch. Hal felt his prickcap tap the back of her throat. Katy moaned around the meat in her mouth, moaned and groaned as she proceeded to move her head back and forth, taking every inch as she did so. This ensued for some time before Hal held the top of her head and thrust his pelvis, fucking her face with powerful jabs.

His assistant’s amazing mouth never failed to do the trick. Harry Pohl’s latest adventure faded away. The artist had much more important things to think about. He pulled out of Katy’s mouth and backed up a few steps, granting her adequate room to assume the position. No words were necessary. Katy knew what he wanted. She walked around to the side of the sofa and leaned over the padded armrest, framing her exquisite apple-shaped ass for the taking.

Heart hammering with excitement, Hal moved behind her and aligned his cock with her crevice. Holding her slender waist, he moved his hips rhythmically, plunging with speed and force. Clutching the sofa cushions in a white-knuckle grip, Katy looked over her shoulder. Her face was twisted with ecstasy.

“Make my pussy come! Make it come!”

Massaging her pussy with one hand, she took his tool in the other, gliding her hand up and down its length. She pumped him several times before inhaling his cock.

BLAIR-NTS-00

Hal upped the pace immediately, doing his damndest to please Katy's ravenous appetite. He knew a great thing when he had it. He was a fortunate man, a lucky man, blessed as he was with a cock-crazed assistant to compliment his prodigious artistic talents. Sure, his life was stressful. But it was immensely rewarding, too. And this, banging Katy's beautiful backside, was the greatest prize a man could ask for.

Hal felt her tremble as the orgasm spread its delicious tendrils throughout her body. An instant later he pumped her full of cum.

Sufficiently refreshed, he spent the remainder of the night at his drawing board.

"You wanted to see me, sir?"

"Sit," said Dom Cerami.

Hal sank into one of the plush chairs arranged in front of his boss's desk. It was a nice office befitting a man of Cerami's position, a corner office with a spectacular view of a spectacular American city.

Unfortunately Hal was far too tense to enjoy the stellar panorama. The looseness he had enjoyed after last night's tryst with Katy had vanished.

As CEO of Erotixxx Inc., Cerami wasn't exactly known for his good nature; that the man was ex-mob only exacerbated Hal's unease. He had heard stories about Cerami, dark and disturbing stories which made his skin crawl. Rumors? Perhaps. Or maybe not, maybe the grisly tales were true. Hal hoped not.

The big boss had never requested his presence. And he had been with the company for a long time. The artist searched his brain for a reason. Had he fucked something up? Missed an important deadline? He didn't think so. Of course he had been rather distracted lately, what with his hot new assistant and all. Having her around helped alleviate stress, sure, but she did make it difficult to focus.

Cerami slid the current issue across the mahogany desk. "That your work?"

Of course, Hal thought. That's my signature right there on the cover, right there beside Al's handle, good old Al Canfield who wrote the scripts.

"Yes, sir," Hal said. "Is there something—"

"Open it," Cerami barked. "Page four, panel three..."

Hal flipped the pages with fidgety fin-

gers. He peered at the story he had completed just last week, studying the panel with intense concentration.

Cerami said, "Tell me what you see."

"Harry in jail . . ."

"Very astute. What else?"

Hal Frowned. "What do you mean?"

"Take a closer look. What exactly is Harry doing in jail?"

"Standing in his cell," Hal replied, "looking forlorn—"

"And?"

"Well, he—um—he's holding on to the..."

Oh, shit...

It hit him like a haymaker from Hell. Heat flooded Hal's face as he stared at the glaring screw up. Harry Pohl, a character he had rendered countless times, was holding the bars of his cell with two hands. The hook, Hal thought. You forgot the hook! Harry's psycho stripper girlfriend severed his left hand with a machete in the first fucking issue! Hal couldn't believe his eyes. How he could've made such a bonehead move was beyond his comprehension. He wanted to disappear, wanted to melt right then and there.

"I don't need to tell you how unforgiving our readers are."

"I'm so sorry, sir. I don't know what—"

"The hate mail is already pouring in."

"Hate mail?"

"That's right. Loyal subscribers are calling for your head, Hal. They want *Hook Up* given to somebody else, an artist who won't make amateurish mistakes."

Hal was stunned into silence. Cerami leaned back in his swivel chair and emitted a weary sigh. He regarded Hal with a mixture of pity and disgust. Finally Cerami said, "I'm not going to fire you."

*How he
could've made
such a bone-
head move
was beyond
his compre-
hension. He
wanted to
disappear,
wanted to
melt right
then and
there.*

*Before he knew
it she was
sucking his
cock vigorously,
pumping
her head back
and forth, her
lips clenched
around his
member like
a vise. This
continued unabated until
she diverted her
attention to his
balls...*

"Oh, thank you, sir. I promise you won't regret—"

"Having said that," Cerami went on, "this isn't over. Everybody is accountable, Hal. You can expect a reprimand."

Katy had to go.

Hal made the decision while commuting to work the following morning.

He blamed his mistake on his hot assistant. Her pussy, he reasoned, had scrambled his brain. Katy was a lot of fun, but she couldn't stay; his professional future hinged on his ability to keep a clear head. He was damn lucky that Cerami hadn't fired his ass. The big boss had cut him some slack. This time, Hal thought, knowing he wouldn't get lucky twice.

He resolved to fire her today.

Katy took the news surprisingly well. Hal had told her during lunch. She had suggested a sandwich at a café within walking distance of the office. Now they were returning to work, walking side by side on the crowded sidewalk. Suddenly Katy grabbed Hal's arm and steered him into an alley.

"Where are we going?" he asked.

"I want to give you a parting gift."

"Parting gift?"

"Something to remember me by."

The dumpster provided adequate concealment. Hal stood there as Katy knelt before him and unbuckled his belt. Before he knew it she was sucking his cock vigorously, pumping her head back and forth, her lips clenched around his member like a vise. This continued unabated until she diverted her attention to his balls, servicing each nut lovingly while stroking him

with one hand.

Hal wondered if he should keep her around. Perhaps his error had been a fluke, an isolated screw up that would never happen again. Maybe he could juggle both worlds – his job and Katy. No, he thought, watching his cock spew spunk all over her face.

It was best to end their relationship on a positive note.

"It could've been worse," Al Canfield said.

A shiver raced up Hal's spine. "You ain't kidding."

"Had it been the other one—"

"Enough already; Trying to relax here."

They were sitting at the bar in their preferred watering hole, a dingy dive popular with creative professionals. It had been a long day for both of them. They had toiled tirelessly on the next issue of *Hook Up*; it was far from complete but they had made some serious headway. Hal and Al had always worked well together; they were a formidable team, one of the best artist/writer duos in the business, if not the highest paid.

To think, Hal mused as he worked on his scotch and soda, I almost flushed it down the crapper with bush league carelessness.

Of course he hadn't gotten off scot-free. Cerami had promised a reprimand. And the big boss, a man of his word, had delivered. The man was savvy, too. Getting Katy to do his dirty work had been a clever move. Doubtless he had paid her well. No wonder she had taken the news of her firing so well.

Hal had nearly shit in his pants when she had reached behind the dumpster and produced the machete. It had been a case of life imitating art, his art. The pain was excruciating. Hal had spent weeks in the hospital. Still, Al was right. It could have been worse, much worse; which says a lot about Cerami's ruthlessness. Those grisly rumors turned out to be true.

"Be right back," Hal said. "I gotta' take a whiz."

The mildly drunk artist made his way to the restroom. Standing at the urinal, he fumbled with his belt. It was a clumsy affair, freeing his pecker with one hand – his drawing hand – while the left gleamed curvy and sharp.

I've been working as a secretary for years now, and I 'm not getting a raise this year! Outrageous! Who does that strong handsome man think he is? I've been working my little cheeks off, and I deserve compensation. If he won't reward me then I'll just have to lick it out of him. Once I get my lips around him there's no way he can deny me.
